[CUSTOMER SERVICE](#) [FAQ](#) [PRODUCT CARE](#) [WARRANTY](#) [SERVICE REQUEST](#)

You can extend the life of your furniture by cleaning it properly. It's really simple – here are a few basic guidelines.

Fabric and vinyl:

Your retailer can provide specifics on how to care for upholstered furniture.

- To avoid discolouration, protect furniture from direct, prolonged exposure to sunlight.
- Keep furniture away from all sources of intense heat (radiators, etc.).
- Do not apply the vacuum nozzle directly to fabric or vinyl. We suggest using the soft brush attachment instead.
- For complete cleaning, we recommend consulting a professional cleaner.

Leather:

With proper maintenance, your leather will give you many years of comfort and keep on looking great. Your retailer can provide specifics on how to care for leather furniture.

- To avoid discolouration, protect furniture from direct, prolonged exposure to sunlight.
- Keep furniture away from all sources of intense heat (radiators, etc.).
- Use a damp (not soaking) cloth dipped in warm water, then wipe with a soft cloth.
- Never use wax, cream, oil, or detergent on leather.
- Do not apply the vacuum nozzle directly to leather. We suggest using the soft brush attachment instead.
- For complete cleaning, we recommend consulting a professional cleaner.

Foam and springs:

- For even wear, we recommend rotating the use of seats.
